## ABOUT WORD OF LIFE

Word of Life began in 1940 when Jack Wyrzten saw the need to reach out to young people with the Gospel through a small 500 watt radio station. Today Word of Life has expanded to 47 countries and continues to proclaim the Gospel through various church-building ministries such as youth camps, Bible Clubs, Bible Institutes, evangelistic campaigns, and radio.

## PAUL WEAVER

*Lay not up for yourselves treasures upon earth, where moth and rust doth corrupt, and where thieves break through and steal: But lay up for yourselves treasures in heaven, where neither moth nor rust doth corrupt, and where thieves do not break through nor steal: For where your treasure is, there will your heart be also. "*

*Matthew 6:19-21*

# PERSONAL TESTIMONY

I am the youngest of three boys raised in a Christian home, with parents who dearly love the Lord. At the age of six, my mother explained to me that if I would accept the free gift of salvation provided for by Christ's death, I could spend eternity in Heaven with the Lord. That day I placed my faith in Jesus Christ for salvation.

When I was 12 years old I became active in a Word of Life Bible Club program at my home church. Several men from this club took interest in my life and began investing their lives into mine. At the age of 13 I was baptized and became a member of my local church. While in attendance at a Word of Life summer camp I dedicated my life to the Lord, and as a counselor at a Word of Life camp I gave my life to full-time Christian service.

I continued preparation for ministry at Appalachian Bible College where I earned a Bachelors of Theology with a minor in Pastoral Ministries. After graduating from ABC I then enrolled at Dallas Theological Seminary, where I graduated with a Masters of Theology and an emphasis in Academics. It is my heart's desire to teach the Word of God to men and women preparing to impact their countries for Christ with the unchanging principles of God's Word. I feel that there is no greater way of equipping these men and women than through the Word of Life Bible Institute ministry. I have recently joined the ministry team in Hungary, and will be serving as the Academic Dean and as one of the main Bible teachers. I look forward to many years of service for Him in Hungary, as we prepare students for the work of the ministry.
